DEMOERENSCHILDT with GEORGE McMILLAN, an employee of the National Broadcasting Company, who was in Dallas for several weeks during September and who stayed at the Sheraton-Dallas Hotel. BALLENGER stated that McMILLAN was assigned by NBC to prepare a television program based upon the background to the assassination of President KENNEDY, which program was to be aired upon the release of the report of the findings of the President's Commission.

BALLENGER stated that he had not contacted anyone else at the Sheraton-Dallas Hotel in this regard during September, 1964.

No record of GEORGE McMILLAN having occupied a room on the 24th floor of the Sheraton-Dallas Hotel during September, 1964, was located; however, it was determined that one GEORGE McMILLAN, Box 299, Aiken, South Carolina, was a resident of this hotel from August 30, 1964, to September 17, 1964. A copy of this person's hotel registration card (#Z-87949) was furnished by BARNEY TOBIN, Reservation Manager, Sheraton-Dallas Hotel.

There are being forwarded to the Bureau the following two items, which are enclosed herewith:

1. Notebook of the Sheraton Hotels and Motor Inns consisting of six pages with a cover identified by ELMER E. COOPER, MD, Room 2422.
2. Copy of Sheraton-Dallas Hotel registration card #Z-87949, of GEORGE McMILLAN, Box 299, Aiken, South Carolina, for Room 2521.

The FBI Laboratory is requested to determine if the writer of the notebook is possibly identical with one GEORGE McMILLAN, former guest of Room 2521 at the Sheraton-Dallas Hotel.

DL 100-10461

Upon completion of the aforementioned examination, the Bureau is requested to advise the Dallas Office as to the desired disposition to be made of this notebook and whether it desires the interview of GEORGE MCILLIAN concerning the contents of this book.

Interviews conducted by the Dallas Division in this matter will be set forth in the next Dallas report submitted after the report of 10/8/64.
